THE RIVER RALLY 2018 – FLAX FARM, DISS

FRIDAY MAY 25th to 27th 2018

Hello and welcome to the 2018 International Rally which is being held at Flax Farm, Diss in Norfolk. We are very fortunate that Stephen Alleyne, the owner of the farm and the Club's Norfolk Contact, has invited us to make use of his lovely farm which straddles the River Waveney, the border between Norfolk and Suffolk.

Stephen has already run a music festival here so he is well versed in putting on a good show and I'm sure the evening entertainment is going to be excellent! There is a full write up about the rally in the magazine so I won't include much further information here.

We have kept the rally booking form almost exactly the same as the last couple of years so there should be no surprises and hopefully it will be easy to fill out. As a result of the judging rule changes that were introduced in the last magazine the list of classes on the booking form has altered slightly from previous years.

Whilst we have retained the Commercial class it is now for panel vans only as we have introduced new classes for Countryman and van conversion models.

In order to run any class we must have at least two vehicles and if we don't get two Countryman the one solitary Countryman (assuming we get any that want to be judged!) will be judged alongside the van conversions, so if you have a Countryman, please bring it

along and enter it for judging. The 'Most Original Vehicle' is no longer a separate class and the winner of that award will be chosen from all vehicles on the field that have indicated they wish to be judged. This is the same as the way that the 'Most Original Van' (Barbara Fleming award) is chosen. Please don't be shy and put your vehicle forward to be judged – you may be pleasantly surprised! Full details of how to find the site will be included in your rally booking pack and the programme that you will receive on arrival at the rally will contain information about local facilities. If you require any further information please ring either Melanie (07757 493892 – evening only please) or Steve (07946 820884). If your query relates to the booking form or any other booking type issue, Melanie is the best person to contact.

We look forward to welcoming you (with or without your Austin) and will do our very best to ensure that you have an enjoyable and memorable weekend.
